

IMB Payroll Payment Solution

Debit order protected debit card

Give your employees control over their money with the
IMB Payroll Payment Solution.

Get the most out of your employees by helping them to improve their financial security. Our employee payment solution makes it easy to pay employees and protect them from unwanted and fraudulent debit orders.

Your employees can simply and easily receive their salary, swipe, withdraw and transact online.

Cashless

Real-time

Convenience

Support

Protection

Cashless

Eliminate the risks and costs associated with cash transactions. Safely and securely pay your employees with the IMB Payroll Payment Solution.

Real-time

Payments will immediately reflect in your employee's debit cards.

Support

Your employees don't need to visit a bank to get assistance. The IMB Customer Support team is available to handle all their queries.

Convenience

Quick and easy set-up. Make one payment to your payroll account and send your payroll file to IMB for processing.

Protection

Protect your employees' salaries, by shielding them from unwanted and fraudulent debit orders.

Your employees can simply and easily receive their salary, swipe, withdraw and transact online.

In addition, the IMB debit card shields your employees from all debit orders and protects their money. They have the power to decide who they pay and when they pay them, putting them in control of their money.

IMB offers your employees support with a team of customer support agents.

Receive Salary

Swipe

Withdraw

Transact Online

FICA

Receive Salary

Your employees can receive their salaries into a secure debit order protected debit card.

Swipe

Your employees can swipe their IMB debit cards for free wherever the MasterCard sign is displayed.

Financial Intelligence Centre Act

Limited FICA requirements.

Transact Online

Your employees can use their IMB Debit Cards for online purchases.

Withdraw

Your employees can use their IMB debit cards to withdraw cash at any South African ATM, or get cashback with their purchases at participating retailers. Retailers are the cheapest option. Retailers include Pick n Pay, Checkers, Shoprite and Boxer.
